GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

The Court waives its premotion conference requirement with respect to the motions identified in Docket ## 297 and 298. The Court believes that the letters may serve as the parties' motion papers --- in which case any reply letter shall be filed by August 6, 2024. But if either side believes formal briefing is required, it should contact the other side immediately and a joint letter should be filed proposing either an agreed upon schedule or separate schedules.

SO ORDERED.
